Si on en croit la légende, Dom Pérignon est le moine économiste de l'abbaye d'Hautvilliers.

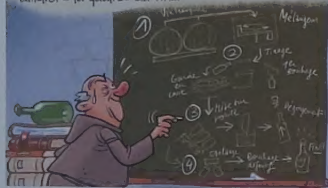

C'est un bûcheur qui a rénové et agrandi l'abbaye et son vignoble avec des pratiques nouvelles et qualitatives. C'est un peu, pour un frère, le père de la viticulture moderne.

En effet, sitôt la cueillette, il veille à un pressurage de grappes entières en séparant les jus obtenus et il met au point une vinification méticuleuse !

Il est le premier à pratiquer l'assemblage de raisins de différents crus et cépages et cela améliore la qualité du vin.

C'est également lui qui introduit l'emploi du bouchon de liège, maintenu sur la bouteille par une ficelle imprégnée d'huile...

De plus, il fait renforcer la bouteille en adoptant un verre plus épais, pour éviter qu'elle n'explose !

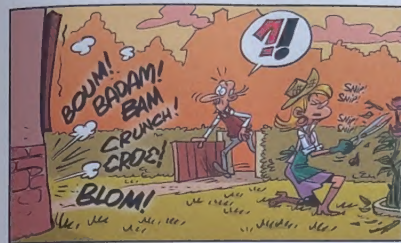

C'est bon Maurice ! Je la connais cette histoire. Monsieur Pérignon me l'a racontée lui-même ce matin quand je lui ai acheté des bouteilles !

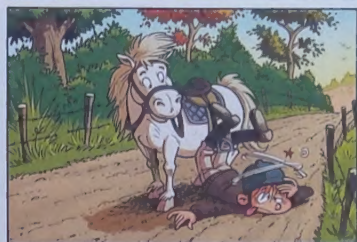

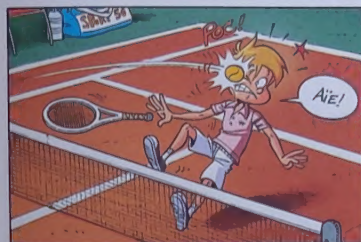

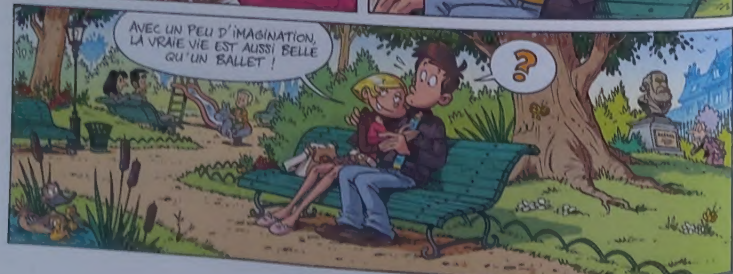

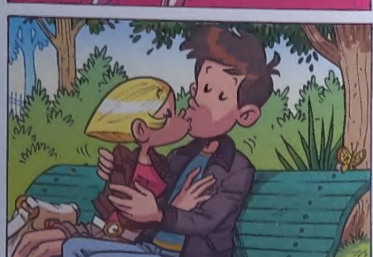

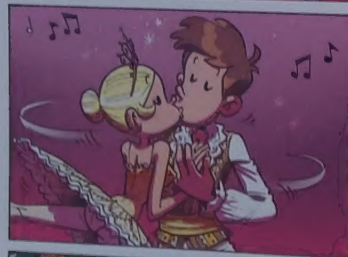

Donc, pour finir, Dom Pérignon est mort en 1715...

Et il n'a jamais vendu de champagne sur le bord de l'autoroute...

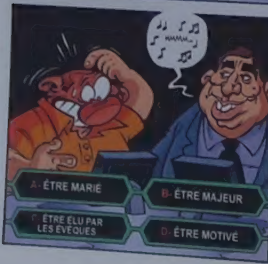

...à fortiori à ce prix-là !

RENOIR A TOUJOURS ÉTÉ ENTOURÉ DE MUSICIENS.

PARFOIS MÊME, GUITARISTES, PIANISTES...

LES MUSICIENS L'INSPIRENT MYSTÉRIEUSEMENT...

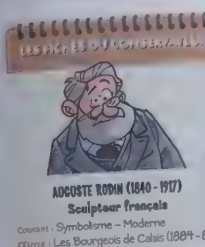

ET RENOIR LES FAIT POSER DÈS QU'IL PEUT...

LE TABLEAU "JEUNES FILLES AU PIANO" FUT LA PREMIÈRE COMMANDE DE L'ÉTAT FRANÇAIS POUR UNE ŒUVRE DE RENOIR. LE PEINTRE, SOUCIEUX D'OFFRIR UNE ŒUVRE AUSSI PARFAITE QUE POSSIBLE, EN RÉALISA SIX VERSIONS.

Le Musée des Bozarts

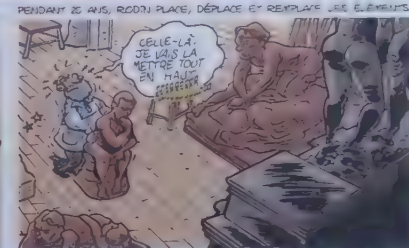

EN 1880, RODIN COMMENCE À TRAVAILLER SUR UNE ŒUVRE MONUMENTALE : "LA PORTE DE L'ENFER". IL CRÉE PLUS DE 200 FIGURES POUR CETTE PORTE.

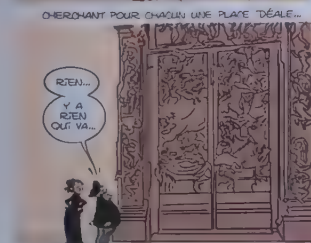

CERTAINES PIÈCES SERONT MÊME AGRANDIES ET PRÉSENTÉES SEULES ET DEVIENDRONT DES ŒUVRES CÉLÈBRES : "LE BATSEUR" OU "LE PENSEUR".

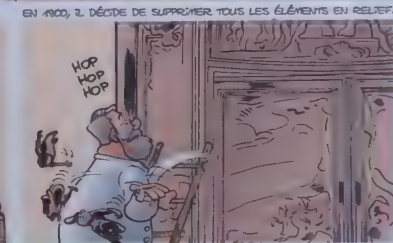

PENDANT 20 ANS, RODIN PLÂTE, DÉPLÂTE ET REPLÂTE LES ÉLÉMENTS...

CHERCHANT POUR CHACUN UNE PLÂTE DÉCALÉE...

EN 1900, IL DÉCIDE DE SUPPRIMER TOUS LES ÉLÉMENTS EN RELIEF...

ET PRÉSENTE ENFIN LA PORTE AU PUBLIC...

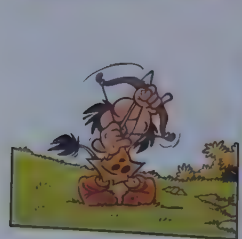

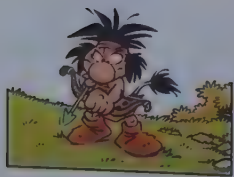

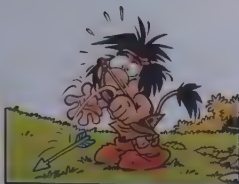

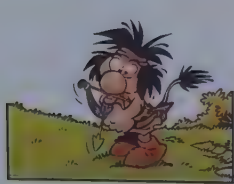

LA VERSION DÉFINITIVE EN BRONZE NE SERA COULÉE QUE 17 ANS PLUS TARD.

Tiens mon Sushi, on va essayer les bonnets que j'ai faits pour toi ! J'espère que tu vas être content, car je t'en ai tricoté plein !

Mais Sam, où tu as trouvé le temps pour tricoter ces bonnets pour Sushi ?

Ben, je fais ça le soir...

En fait, je m'entraîne pour te tricoter un pull tous les soirs... Dans le même style que les bonnets !

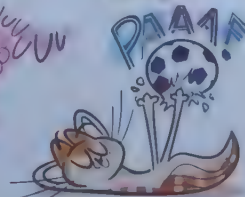

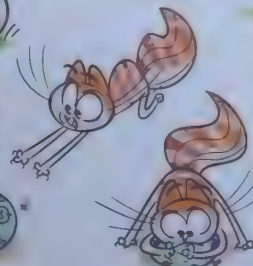

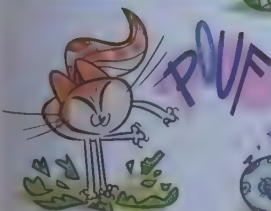

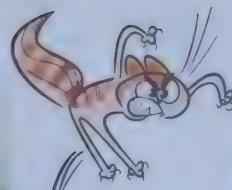

Ensuite, j'ai prévu une soirée au cabaret...

Et demain soir, on ira au ciné !

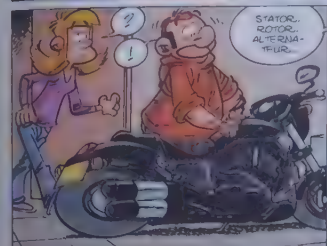

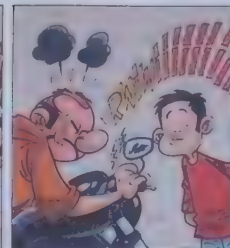

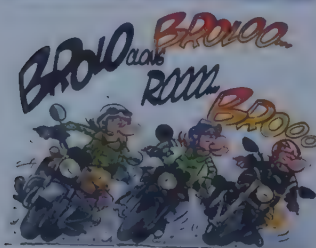

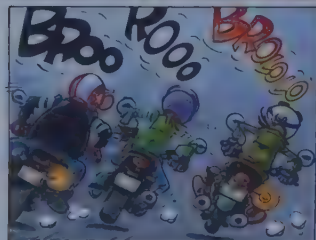

Après-demain soir, au théâtre !

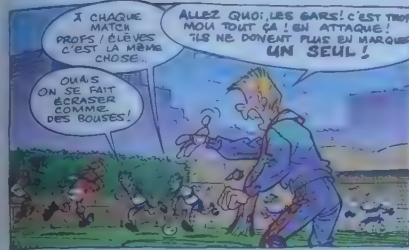

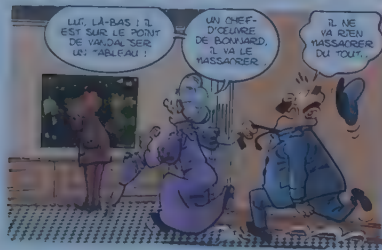

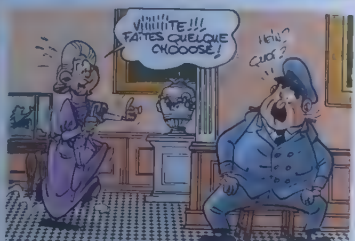

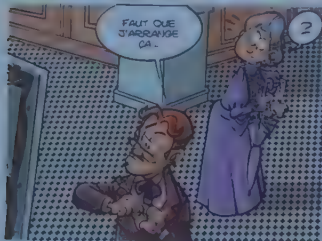

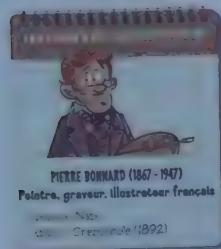

Après, une dégustation dans un club d'œnologie...

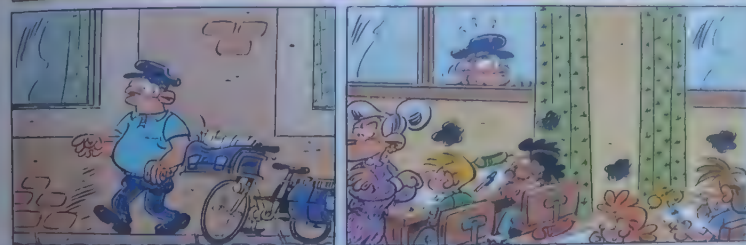

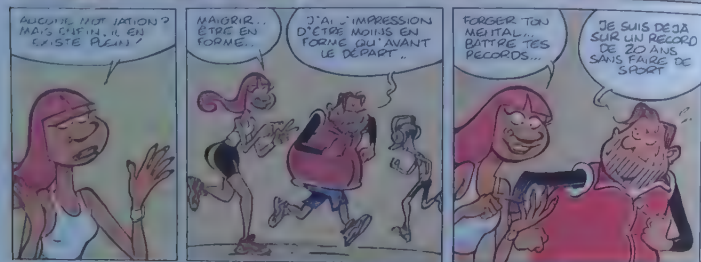

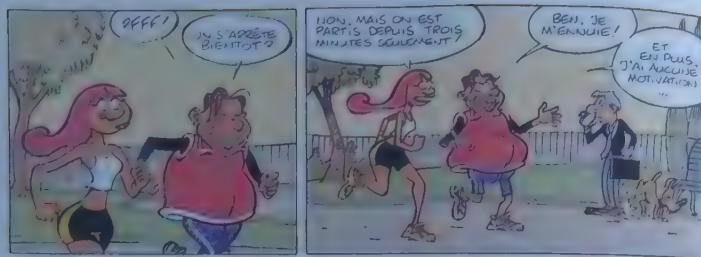

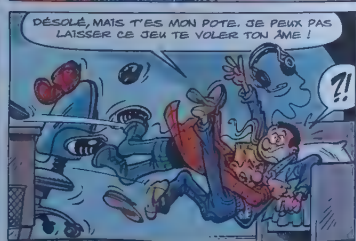

Bon, apparemment Sushi préfère jouer aux échecs !

Les Énigmes de Léa

Solution : Deux indices très subtils l'aidant à résoudre l'énigme des peintures. Dans la grande case, on peut voir une torche électrique oubliée. De plus, un dinosaure (s'agissant de l'histoire) est représenté sur les rochers, ce qui prouve qu'il y avait une civilisation humaine avant la préhistoire.

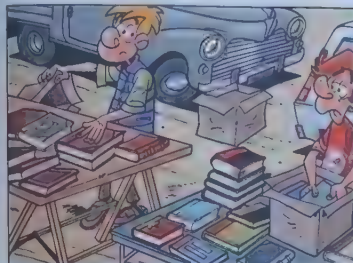

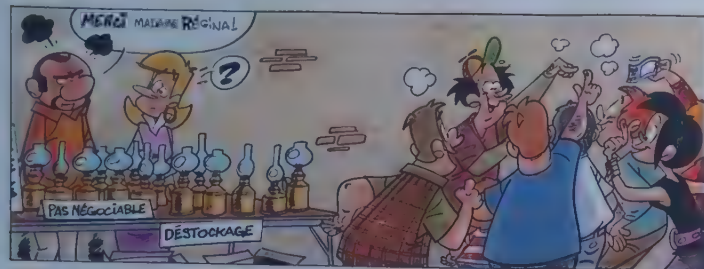

Solution : Les frères de Sulfan sont beaucoup trop bas pour que Mattoéo puisse le monter. En fait, ceux de Vodorzac sont portés en bas par un ascenseur.
